Aboriginal Art and Occupation Sites of the Northern Beaches

Eric Keidge (Field Officer, NPWS) and Bob Conroy (formerly with NPWS) will be giving a presentation on their knowledge and experience in identifying, recording and protecting some of the Aboriginal art

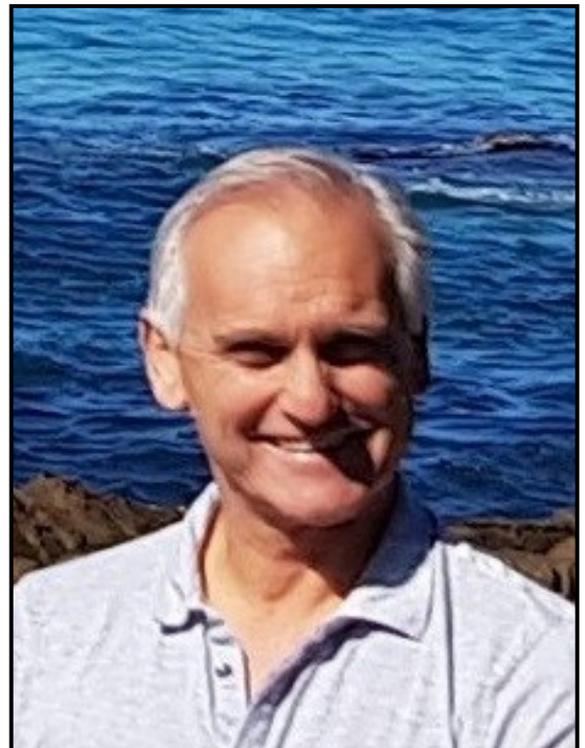

and occupation sites in the Northern Beaches area, including the Narrabeen Lagoon Catchment.

Eric Keidge

With due respect to those Aboriginal people past and present (and future) who identify with this area, the presentation will make reference to collaboration and special projects undertaken

with the Aboriginal Heritage Office and the Metropolitan Local Aboriginal Land Council\, There will also be information given about site dating and significance.

Bob Conroy

Register to participate in this Zoom session and you might find your future walks in Narrabeen Lagoon Catchment more interesting than before because you can see evidence of the rich Aboriginal heritage located here.

Kayaking in Deep Creek

Paddle: Narrabeen Lagoon's Secret Creeks - Sunday May 9

From the Western Basin to the outlet to the sea, you'll see it all. On this leisurely paddle you can swim the lagoon from a clean, sandy beach or take a plunge in the ocean or nearby rock pool. Visit an island, experience the exotic wildlife - pelicans, black swan, maybe a fish will jump in your boat! Hear about the Aboriginal history and what's being done to protect the remaining bushland.
